

The Malibu In-Stock Collection hand-painted tiles are made in California and are authentic cuerda seca reproductions of the famous Malibu Pottery designs of the 1920s. Additional options are offered with the Spanish Brisa Collection®.

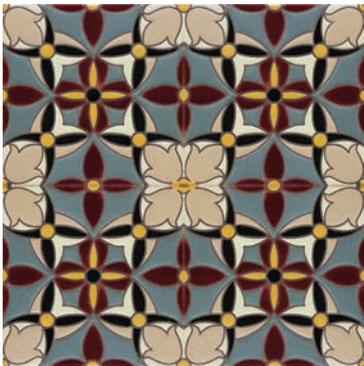

Stock Size: 4"x4" & 6"x6"

Usage: Commercial & Residential; Interior & Exterior applications. Walls or light traffic floors.

Product Info: Due to the variation of natural pigments used in ceramic glazes & kiln-firing, please expect some color variation, especially between batches. Call for current stock. The pictures shown are representations ONLY. Sizes are approximate and may vary slightly with each order.

Custom: All patterns can be custom ordered in sizes up to 12x12" and subject to minimum quantity & lead time. Custom Quarry bisque and acid-resistant glazes should be used for water applications.
